New - FedEx. Ground Shipping

When our retailers speak, we listen! Over the past month, several customers located in Illinois, Texas, and California have sent requests for **Fedex Ground** shipping services to their stores. In these states, and several more, Fedex Ground service has faster transit times than **U**nited **P**arcel **S**ervice. These shrewd retailers utilize Dominique's just-in-time fulfillment services to minimize inventory carrying costs. Generally they stock less, and purchase as needed knowing full well that upon placing their order, Dominique will deliver. **UPS** and **USPS** shipping services will still be offered as usual.

Please continue sending your suggestions to ***isuggest@dayleen.com***

the ultimate minimizer

New Tin-Free Silicone Elastic Utilized

Dominique Cares is our ongoing initiative to replace manufacturing practices and procedures with newer, environmentally friendly techniques & processes. As you are well aware, we are equally dedicated to producing top quality intimate apparel. We believe the two can happily coexist, and have committed to a healthy and sustainable future for the environment. We are proud to announce our new tin-free silicone elastic tape. The new tin-free tape is utilized in styles 7000 & 8519 and has already begun shipping. Every small change makes a difference.
